SUMMARY

Highly creative and versatile graphic designer with over eight years of industry experience. Thrives in a deadline-driven environment. Uses own initiative in addition to working well as part of a creative unit. Team-building a natural facet of personality. Well-spoken with the ability to articulate ideas easily. Seeking opportunities to provide innovative graphic design work and brand consulting to small and medium-sized organizations.

EMPLOYMENT HISTORY

W.D. Larson Companies St. Louis Park, MN (2011-Present)
Creative Services Manager

Responsible for the creative direction and hands-on technical execution of all collateral promoting one of the nation's largest Peterbilt dealer groups, as well as leasing and financing companies under the same ownership. Develop, promote and maintain peterbiltparts.com, an e-commerce website serving as the largest seller of Peterbilt truck parts online. Develop and maintain consistent branding across all advertising, marketing and sales materials.

SkyFish Mankato, MN (2007-Present)
Graphic Designer

Owner and operator of a freelance design service that provides marketing collateral to a diverse client base. Produces a wide variety of material including ads, email blasts, logos, tradeshow displays, media kits, posters, brochures, etc. Also offer commercial photography services.

Home Magazine Mankato, MN (2005-2011)
Graphic Designer

Designs advertisements for Southern Minnesota's widest-circulating shopper magazine. Performs page layout and design of weekly magazine as well as monthly Real Estate Guide and quarterly Mature Lifestyle Magazine. Quality of work contributes to several 1st place awards in 2010 from the Minnesota Free Paper Association (MFPA).
